

## FELLOWSHIP RATES 2024

for the programs

**DOC and DOC-team**

**Post-DocTrack**

**APART-MINT and APART-GSK**

The table below shows the fellowship rates that apply to approvals in 2024. For fellowships that run for several years, the amounts will not be increased during the funding period.

<b>program</b>	<b>fellowship rate per year</b>
<b>DOC</b>	49.080
<b>DOC-team</b>	49.080
<b>Post-DocTrack</b>	49.080
<b>APART-MINT</b>	86.496
<b>APART-GSK</b>	86.496

DOC, DOC-team, Post-DocTrack, APART-GSK and APART-MINT fellowships can be conducted by means of an employment contract at a university or a research institution in Austria or as a “new self-employed” (“Neue:r Selbständige:r”).

The amounts stated above are super gross sums and contain the legally required non-wage labor costs (including the employer’s contribution), taxes and duties; the respective extent of employment depends on the collective bargaining agreements or company agreements of the respective university or research institution.
