Questions to host institution

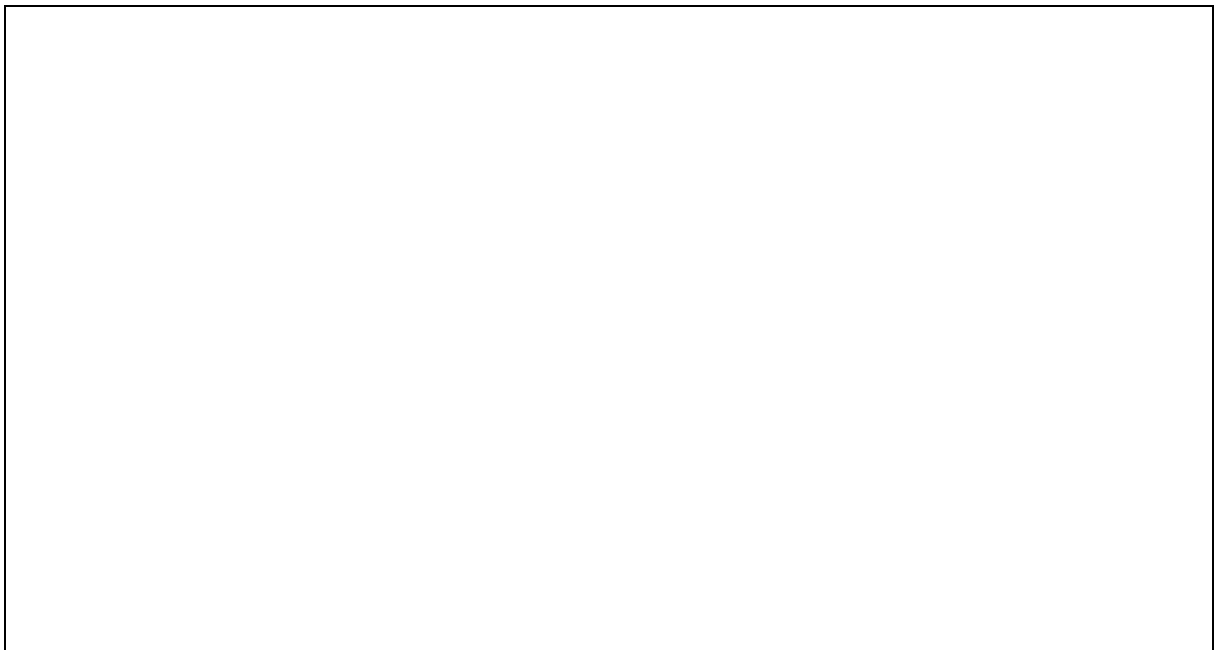

1. Please state the reasons for the invitation and the planned cooperation. Why did the applicant choose your specific host institute/research group?

2. What are the concrete steps (goals and/or planned results) you would like to set with the host researcher during his/her stay?

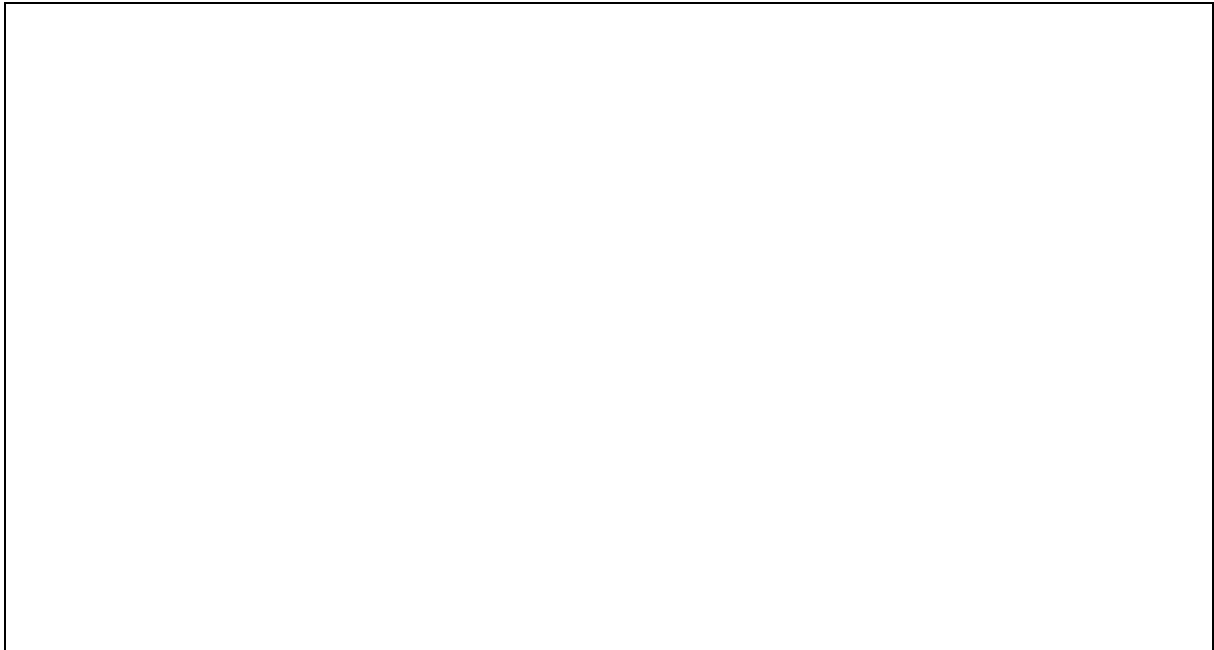

3. What are the benefits for your research group/institute? Why do you recommend the JESH stay for the applicant?

4. Networking aspects: what is the additional benefit for the research group?

5. Do you plan a continuation of this project (e.g. within the framework of an EU research program)?
