Bewilligungen 2025

Stipendienprogramme der ÖAW

Bewilligungen 2025

Bewilligungen 2025 aus den folgenden Stipendienprogrammen:

DOC [Doktorand:innenprogramm der Österreichischen Akademie der Wissenschaften]

APART-GSK [Post-Doc-Stipendien in den Geistes-, Sozial- und Kulturwissenschaften]

MAX KADE [USA-Stipendien der Max Kade Foundation]

Im Jahr 2025 wurden 95 junge Wissenschaftlerinnen und Wissenschaftler mit einem Stipendium der Österreichischen Akademie der Wissenschaften ausgezeichnet. Etwa 61 Prozent sind Frauen.

Mit den Nachwuchsförderprogrammen DOC, APART-GSK und MAX KADE werden Forschungsvorhaben aus dem Bereich der Natur- und Technikwissenschaften, der Life Sciences und Medizin sowie aus den Geistes-, Sozial- und Kulturwissenschaften finanziell unterstützt.

Insgesamt 79 Nachwuchswissenschaftler:innen wurden in das Doktorand:innenprogramm DOC aufgenommen.

Im Rahmen von APART-GSK werden neun Post-Docs in den Geistes-, Sozial- und Kulturwissenschaften bei der Vorbereitung ihres nächsten wesentlichen Karriereschritts („2. Buch“ oder Habilitation unterstützt. Sieben Nachwuchswissenschaftler:innen führen im Rahmen eines MAX KADE-Stipendiums ihr Projekt an einer Forschungseinrichtung in den USA durch.

Stipendiat:innen geordnet nach Dissertations-universitäten bzw. Forschungsstätten:

Akademie der bildenden Künste in Wien

Belinda Kazeem-Kaminski [APART-GSK]
